AIMLTA members are requested to circulate it amongst fellow Medical Lab. Technologists so that more and more Medical Lab. Technologists' may be inspired to join the association. Please acknowledge the receipt and forward your suggestions for needful action.

Mr. _____

_____

Devendra Prasad.

(Devendra Prasad)
General Secretary, AIMLTA

PROCEEDING OF CENTRAL EXECUTIVE COMMITTEE AND STATE SECRETARIES MEETING OF AIMLTA HELD AT BANQUET HALL, HOTEL HILL TOP, BARIATU, RANCHI (JHARKHAND), INDIA

Date : 30th May, 2026

Inaugural function and Welcome Address : The inaugural function of Central Executive Committee and State Secretaries meeting of AIMLTA started at 10.30 AM sharp on 30th May, 2026 in the Banquet Hall, Hotel Hill Top, Bariatu, Ranchi, Jharkhand under the presidentship of Dr. Govind Tripathi, President, AIMLTA. Members of Jharkhand AIMLTA State unit rendered warm reception to the Central Office bearers and CEC members of AIMLTA present on the occasion.

PRESIDENTIAL ADDRESS

Dr. Govind Tripathi, President, AIMLTA cordially welcomed the Chief guest of the event Hon'ble Mr. Raj Kishor Prasad, Member representative to Minister of States Defense, Govt. of India, Dr. Manisha Kiran, Chairman, NCAHP, Jharkhand State, all the CEC members, State Secretaries, Members of Academic Board, AIMLTA and special invitees for rendering their valuable time for the meeting.

Delivering an inspiring message to the gathering, he stated: “Do not wait for the perfect moment, but make the moment perfect.” The House highly appreciated the motivational address and assured its continued commitment towards the mission and objectives of the Association.

He requested all the members participants to extend their full co-operation to strengthen the association for all round development of Medical Lab. Technologists of India. Devendra Prasad, General Secretary, AIMLTA expressed gratitude to reverent chief guest Mr. Raj Kishor Prasad by offering bouquet and "Anga Vastram" (Shawl) and Memento so as Mrs. Nirmala B.K., Vice President, AIMLTA expressed gratitude to reverent chief guest Dr.Manisha Kiran by offering bouquet and "Anga Vastram" (Shawl) and Memento as a remembrance of his support for the association. Thereafter, the Hon'ble Chief Guests inaugurated the function with lightening of holy lamp "Deepam" and declared the meeting open.

The ceremonial lamp was lit by Dr. Govind Tripathi, President, AIMLTA; Shri Ramashish Singh, Vice President; Smt. B.K. Nirmala, Vice President; Shri Devendra Prasad, General Secretary; and Shri Shamsher Singh, Treasurer, AIMLTA and Mr. Mahboob Jaan, Special Invitee. The generous Chief guests while delivering his speech, they appreciated the working of AIMLTA with its aims and objectives, and Academic activities and assured to support the demands of Medical Lab. Technologists of India and Jharkhand in the NCAHP Act.

- **Arrival:** Official arrival and reception of the guests, Dr. Manisha Kiran and Mr. Raj Kishor Prasad.
- **Inauguration:** Guests were presented with flower bouquets and called forward for the traditional lighting of the lamp.
- **Felicitation:**
    - The Honorable President welcomed all attendees and honored guest Mr. Raj Kishor Prasad with an Angvastra.
    - Vice-President Mrs. Nirmala honored Dr. Manisha Kiran with an Angvastra.
    - The General Secretary (GS) presented a memento to Dr. Manisha Kiran
- **Key Addresses:**
    - The GS presented a formal briefing report to the Chief Guest and Guest of Honor
- **Address:** The GS presented a report directly to the Chief Guest and Guest of Honor.

- **Guest Remarks:** Mr. Raj Kishor Prasad addressed the meeting, highlighting that Medical Laboratory Technology (MLT) has done highly valuable work.
- **Key Speakers:** Floor opened to speeches from Mr. Mantu Nag and Dr. Manisha Kiran.
- **Anchored by:** Mr. Udai Saroj Singh, State Secretary, AIMLTA, Uttar Pradesh State.

CONFIRMATION OF LAST CEC MEETING AND BRIEF REVIEW OF 44th AIC & SCIENTIFIC SEMINAR, MGUG, GORAKHPUR, UTTAR PRADESH.

Devendra Prasad, General Secretary, AIMLTA read-out the minutes and provided printed copy of the same to all members participants for approval which was confirmed by voice vote.

GENERAL SECRETARY, AIMLTA REPORT

Date: 30th & 31st May, 2026

VENUE : Banquet, Hotel Hill Top, Bariatu, Ranchi, Jharkhand

Presented during Central Executives and State Secretaries, AIMLTA meet at Ranchi, Jharkhand

Respected President, AIMLTA, Vice President, AIMLTA Div. A and B, Treasurer, Editor, Internal Auditor, Zonal Secretaries, All Central Executive Committee Members, Central Election Officer, Chairman and Controller of Exam• Academic Board, All State Secretaries and Special Invitees, AIMLTA.

I Devendra Prasad extend all of you a most cordial welcome. Dear friends, I am delighted to have this opportunity, on the eve of my first CEC & State Secretaries meeting to say a few words to all my colleagues. I am immensely happy with my every pulse and heartbeat to say that you have offered me the most responsible dignified chair of General Secretary of this association AIMLTA. I am ever grateful to you. This glorious reward will be remembered by me till my last breath on this mundane Earth.

I am indebted to all Central body, State body and General body members and extend my heartfelt gratitude to all the members of the Association. You all have bestowed upon me this great honour and uploaded Himalayan responsibilities on my shoulder to work for the welfare of the Association and its Academic Board in the years to come. I do hope, the good will, Co-operation, co-ordination, blessings, love and affinity for me will always be ensured by all of you and I will try to give my best and prove myself worthy of your choice. I expect your right guidelines, new ideas, right directions so that I, make myself enable to execute my duties neglecting false pride and prejudices and political recrimination.

Following deliberations during the meeting, we will arrive at significant conclusions and endeavor to steer the country in a new direction. For the past three years, the Association has been navigating a transitional phase. The legal proceedings have resulted in substantial losses. While the Association has prevailed in the previous case, it received a notice regarding a second lawsuit immediately upon the formation of the new committee. The silver lining is that this case has been filed in the Patna High Court; consequently, there will be no logistical difficulties regarding travel, though legal fees for counsel will, of course, still be incurred.

The Association remains in constant contact with the Ministry regarding the inclusion of formal training under the NCAHP framework and its classification within the ISCO Code 2200 series. Efforts are also underway to update registration records. Our President, too, is working tirelessly, marching shoulder-to-shoulder with the team to advance the Association's agenda.

Furthermore, the House's most energetic office-bearer-the Treasurer of AIMLTA, Mr. Shamsher Singh-is actively engaged in strengthening the Association's finances and restoring them to a stable one.

In light of the decisions taken at the 43rd AIC:

1. **Report of the Constitution Amendment Committee - Three meetings of Constitution Amendment Committee have already been conducted, the final draft will be submitted to General Secretary office, it will also be placed before you.**
2. **Legal advice regarding the Academic Board (three years vs. five years; five years vs. three years).**
3. **Marg Darshak Mandal.**
4. **Scientific Board.**

With the advice of the President-and taking into account the positions that remained unfilled following the 44th AIC elections, certain committees decided during the 43rd AIC, and upon the exigencies of the present time-committees have been constituted. The office bearers and members of the previous sub-committees have been co-opted into these new committees.

The details are as follows:

1. **"Central Executive Committee" Member, Tamilnadu -** Mr. N. Thiyagarajan, Thiruvarur, TN.
2. **"Central Executive Committee" Member, UP -** Mr. Sufal Verma, Lucknow, U.P.
3. **"Zonal Secretary, Zone A" -** Mr. Binay Kumar, Bihar.
4. **Editorial Board-** Reconstituted By the Editorial Board.
5. **"Zonal Secretary, Zone E" -** Mr. Shailendra Kumar Singh, Uttar Pradesh.
6. **Re-constituted By -** Foreign Collaboration Committee.
7. **Academic Board CEC Member (Bihar) -** CEC Sri Dharmendra Kumar, PMCH, Patna, Bihar.
8. **Academic Board Member -** Sri Anil Kumar Pathak, IMS BHU, Varanasi, Uttar Pradesh.
9. **"Central Executive Committee" Member, Chandigarh -** Mr. Rajiv Atwal, Chandigarh.
10. **Internal Auditor -** Mr. Rajeev Ranjan, Jharkhand.

Council Monitoring Committee: The committee was constituted upon the advice of the President, following discussions with top officials of association.

NRI: With the exception of a few states, the IFBLS Fortnight was observed by all states. We hope that, in the near future, all states will celebrate this program with great grandeur.

Legal: The organization aims to maintain a strong legal standing; to this end, and acting upon the advice of the President, a *Vakalatnama* (Power of Attorney) has been issued to an advocate to file a contempt of court case.

Extraordinary Work: Conducting a state-wide cancer screening program across Odisha is a monumental undertaking. For this remarkable achievement, the entire CEC extends its heartfelt congratulations to the Odisha State Committee, as well as to CEC member Shri Jagbandhu Prusty.

I wish all of you for peace, love, knowledge and learning.

Thank you all.

Jai Hind, Jai AIMLTA

(Devendra Prasad)
General Secretary, AIMLTA

GENERAL SECRETARY, AIMLTA REPORT (Discussion and Members' opinion) :

The finalization of Association's policy and action plan in the contexts of G.S. AIMLTA reporting, CEC members reviewed and discussed in lengths. In the context of GS report recommendation, acceptance or rejection, Consideration and approval in accordance with agenda. The following agenda was taken up for consideration.

1. Organizational Report

The General Secretary informed the House regarding important organizational developments that had taken place since the previous meeting. He reported that the Association had secured a favorable outcome in the legal proceedings before the Karkardooma Court. The House noted the development and appreciated the efforts undertaken by the leadership and legal team in safeguarding the interests of AIMLTA. – Considered

2. Organizational Elections

The General Secretary informed the House that organizational elections had been completed across most State Units of the country by 31 March 2025, except in certain North-Eastern regions, particularly Tripura. The House noted that AIMLTA remains committed to democratic functioning and that organizational positions should be determined through a transparent electoral process. It was reiterated that all duly elected representatives would receive full recognition and support from the Association.-Approved

3. All India Conference-Gorakhpur-2025

The General Secretary recalled the successful organization of the 44th All India Conference and Scientific Seminar held at MGUG, Gorakhpur on 21st & 22nd December 2025. He highlighted the active participation of delegates across the country and the significance of the conference in strengthening national-level coordination among Medical Laboratory Technologists. He further informed the House that due to certain technical and procedural difficulties during the conference, announcements relating to certain organizational positions, including representatives from Tamil Nadu, Uttar Pradesh, and certain Zonal Secretary positions, could not be formally completed.

Subsequently, communications were received from the Election Officer, and fresh electoral processes were proposed in respect of the concerned positions to ensure transparency, procedural compliance, and democratic representation.

Resolved that the recommendations and communications received from the Election Officer regarding the concerned organizational positions be taken on record and that necessary action be undertaken in accordance with the Constitution and established electoral procedures of AIMLTA.

4. ISCO Classification

The General Secretary informed the House regarding developments relating to professional recognition under the International Standard Classification of Occupations (ISCO).Particular reference was made to ISCO Code Series 3212 relating to Medical and Pathology Laboratory Technicians. The House noted the importance of continued advocacy and representation to secure greater recognition and professional advancement for Medical Laboratory Technologists. **— considered still further**

5. Appreciation of the President

The General Secretary placed on record his sincere appreciation for the leadership of Dr. Govind Tripathi, President, AIMLTA. Special mention was made of his tireless efforts, selfless commitment, continuous organizational support, and financial contributions towards various AIMLTA activities undertaken for the welfare of Medical Laboratory

Technologists. The House unanimously acknowledged his dedication and commitment towards the advancement of AIMLTA. **—Accepted**

6. Legal Opinion regarding Academic Board

The General Secretary informed the House that during the General Body Meeting held at AIIMS, New Delhi, questions had been raised regarding the tenure and functioning of the Academic Board. He recalled that at that time the President, Vice Presidents, and the General Secretary had assured the House that a formal legal opinion would be obtained on the matter. **— Considered**

The General Secretary reported that since the legal opinion had been received. As per the opinion presented before the House, the tenure of the Academic Board is limited to a period of three years in accordance with the Constitution and Rules of AIMLTA. **— Accepted**

The members took note of the legal opinion and discussed its implications for future compliance.Resolved, that the legal opinion obtained regarding the tenure of the Academic Board be taken on record and that the relevant provisions of the Constitution and Rules of AIMLTA be adhered to in letter and spirit.

7. Margdarshak Mandal

The General Secretary informed the House that, in order to utilize the experience, wisdom, and institutional knowledge of former office bearers, a Margdarshan Mandal (Advisory Board) had been established. It was explained that former office bearers and ex-officials of AIMLTA would constitute the Margdarshan Mandal and provide guidance, mentorship, and advisory support for the continued growth and strengthening of the Association. **–Accepted**

The House welcomed the initiative and appreciated the importance of preserving organizational continuity through the involvement of experienced senior leaders.

Resolved, that the establishment of the Margdarshan Mandal, comprising former office bearers and ex-officials of AIMLTA, be and is hereby approved by the Central Executive Committee.

8. Head office functions

The General Secretary emphasized the need to strengthen the functioning of the National Head Office and expressed the desire that official meetings and organizational activities be conducted on a regular and systematic basis from the Head Office. The House appreciated the proposal and agreed on the importance of strengthening institutional mechanisms for the smooth functioning of AIMLTA.-Considered

9. Council Monitoring Committee

The General Secretary informed the House that an online meeting of the Council Monitoring Committee was proposed to be held in the coming week. The House took note of the proposed meeting and expressed support for the initiative. **– Accepted**

10. International Representation

The General Secretary informed the House regarding an upcoming international conference of the National Federation of Biomedical Sciences scheduled to be held in Japan from 23rd to 27th September 2026.He informed the members that representatives of AIMLTA were expected to participate in the conference and to represent the Association at the international level. The House welcomed the opportunity for international engagement and conveyed its best wishes to the delegates. **– Accepted**

11. Felicitation of Odisha Representatives

During the proceedings, the General Secretary felicitated Shri Jagabandhu Prusty and Shri Kalindi Charan Mudli, representing Odisha as CEC Member and State Secretary respectively. The House appreciated their contributions towards strengthening organizational activities in Odisha. **–Considered**

Agenda No. 3

Discussion on the General Secretary Report

Upon completion of the presentation of the General Secretary's Report, the report was opened for discussion and observations from the members present. Shri Shamsher Singh, Treasurer, AIMLTA, raised objections regarding certain references in the report, including matters relating to the Academic Board and organizational responsibilities held by certain members. **– Considered**

The General Secretary responded by explaining that similar precedents had existed in the past and that organizational and academic responsibilities had, on occasion, been discharged simultaneously by experienced office bearers and academic leaders. **– Resolved**

1. Scientific Board

Shri Sanjay Kumar Gupta, CEC Member from Chhattisgarh, sought clarification regarding the appointment process of the Chairman of the Scientific Board.

The General Secretary explained that the Scientific Board had been constituted after considering professional qualifications, experience, and contributions to academic activities. It was further stated that the proposal had been considered and approved through the appropriate organizational process and that Dr. Santosh's professional experience and contributions were taken into account while assigning responsibilities. **– Resolved**

The House acknowledged the clarification and noted that members retain the right to seek explanations and raise observations on organizational matters.

Scientific Board: Regulatory report presented by Dr. Santosh Kumar Singh, Chairman, Scientific Board, AIMLTA before the house.

2. Foreign Collaboration Committee

Discussion was also held regarding the constitution of the Foreign Collaboration Committee. Queries were raised regarding the criteria adopted for assigning committee responsibilities, particularly with respect to the appointment of the Chairman of the Committee. During the discussion, Shri Dharmendra Kumar, CEC, Bihar, observed that organizational responsibilities should be assigned on the basis of suitability, competence, expertise, commitment, and the requirements of the particular assignment, rather than solely on the basis of seniority. **– Considered**

The House deliberated on the matter and acknowledged that merit, capability, commitment, experience, and organizational requirements are important considerations while assigning responsibilities within the Association. **–Resolved**

3. Discussion regarding Co-opted Members

Shri Ramlal Yadav, CEC, Rajasthan, sought clarification regarding the process of selection and approval of co-opted members and whether such appointments are made with the concurrence of the concerned authorities of the Association. **– Considered**

In response, Shri Shamsher Singh clarified that co-opted members are considered through consultation between the President and the General Secretary and that such appointments were placed before the appropriate authority for approval. **– Resolved**

The General Secretary assured the House that major organizational decisions would continue to be guided by democratic consultation and collective wisdom. It was further suggested that co-opted appointments may be formally endorsed through the signatures and approval of both the President and the General Secretary to ensure transparency and proper documentation. **– Resolved**

4. Discussion on organizational Accountability

Representatives from Chhattisgarh expressed the view that members entrusted with responsibilities should be periodically assessed on the basis of their work, commitment, capability, and ability to perform the duties assigned to them. **– Considered**

It was suggested that performance may be periodically reviewed and that members who fail to discharge their responsibilities effectively over a reasonable period of one year, may be reconsidered for continuation in their assigned roles. The House appreciated the suggestion and agreed that effective organizational functioning requires both responsibility and accountability. **– Resoved**

Shri K.K. Batham, CEC, Madhya Pradesh, submitted that certain issues under discussion may have arisen due to typographical or procedural discrepancies and suggested that greater care be taken while preparing future reports and documents. He observed that healthy debate and differences of opinion are natural in a democratic organization and emphasized that despite disagreements, members remain united by their commitment to the objectives of AIMLTA. **– Considered**

The House appreciated his observations and agreed on the importance of maintaining cordial relations while engaging in constructive discussions. **– Resolved**

Shri John Mahboob Jaan shared his observations regarding the functioning of various committees and office bearers of the Association. Based on his experience and interactions, he appreciated the efforts and contributions made by Dr. Ranjay Kumar Chaudhary and acknowledged his active involvement in organizational matters. The House took note of his observations.-Considered

Adoption of the General Secretary's Report

After extensive discussion, clarification of queries, and consideration of suggestions offered by various members, the General Secretary's Report was placed before the House for approval.

The House expressed satisfaction with the clarifications provided and acknowledged the efforts undertaken by the General Secretary in presenting a comprehensive report on the activities and developments of the Association.

Resolved that the General Secretary's Report as presented before the House be and is hereby approved and adopted.

There being no further discussion on the General Secretary's Report, the Chair announced a lunch break.

The proceedings were adjourned for lunch at 2:16 P.M. and were scheduled to reconvene thereafter.

The House reassembled at 3:30 P.M. after the lunch break.

Shri Shamsher Singh, Treasurer, AIMLTA, resumed the proceedings and requested all members to review the Minutes of the previous Central Executive Committee Meeting and the proceedings of the 44th All India Conference & Scientific Seminar-2025. Copies of the minutes were circulated among the members, and ten minutes' time was granted for review and observations.

The proceedings resumed at 03.45 P.M.

DISCUSSION ON PREVIOUS MINUTES

During the discussion, Shri Verghese, Secretary, Chhattisgarh, referred to the agenda recorded on Page No. 5 concerning anti-association activities. He sought clarification regarding the duration of such activities, the extent of damage caused to the Association, and the steps taken by the Central Office against the concerned individual. He further enquired about the progress made in the matter.

Responding to the query, Shri Devendra Prasad, General Secretary, informed the House that the matter was under active consideration and that necessary organizational and disciplinary measures had already been initiated. He assured the House that appropriate action would continue to be taken in accordance with the Constitution and Rules of AIMLTA. He further informed the members that a committee was being contemplated to examine matters relating to anti-association activities and recommend suitable action wherever required.

Shri Verghese again sought clarification regarding the progress made in the matter.

Shri Shamsher Singh informed the House that disciplinary action had already been initiated, the concerned individual had been barred from organizational activities, and no longer holding any recognized position within the Association.

The General Secretary reiterated that the matter remained under consideration and assured the House that all pending issues would be resolved through appropriate constitutional procedures. **–Resolved**

Shri John Mahboob Jaan informed the House that he had personally been approached by the concerned individual requesting intervention for lifting the restrictions imposed upon him. Shri Jaan stated that he had declined to intervene in any manner inconsistent with the Constitution and Rules of AIMLTA and emphasized that organizational discipline must be maintained at all times.

Shri Shamsher Singh further informed the House that, as per information received from representatives of Tamil Nadu and other responsible members, the concerned individual was not presently involved in any recognized organizational activity. The House took note of the discussions.

Agenda No.4

Treasurer Report

Mr. Shamsher Singh, Treasurer, didn't submitted his report. The Treasurer's report was not submitted in CEC meeting, and hence not approved by the house, it is supposed to be submitted combined with new report during next CEC meeting. The members expressing support for the innovative measures outlined to cut costs, increase revenue, and to enhance the association's financial stability.

Treasurer’s report and previous Financial Records

Shri Dharmendra Kumar, CEC, Bihar, referred to Page No. 8 of the minutes concerning the Treasurer's Report and observed that during the previous meeting, the report could not be formally presented due to disturbances and procedural difficulties. **– Considered**

Responding to the discussion, Shri Shamsher Singh informed the House that he had not been provided with complete financial records from the previous tenure. He stated that despite approaching former office bearers, including the then Treasurer, Shri Amol R. Patni, and other concerned officials, the relevant records had not been formally handed over excluding a formatted Laptop only. Consequently, he was unable to provide a complete account relating to the period under reference. **– Considered**

Shri Dharmendra Kumar expressed concern regarding the circumstances that had prevented the report from being properly presented before the House and observed that the disruption appeared to have adversely affected the transparency of the proceedings. **– Considered**

In this regard, the General Secretary informed the House that a reminder had been issued to the Ex-Treasurer, Mr. Amol R. Patni, vide Letter No. AIMLTA/GS/195/2025 dated 04/08/2025, regarding the updating of the accounts of the Association and completion of the audit for the financial years 2024–2025 and 2025–2026. Despite the said communication, no response or necessary action has been received from him till date.

The aforesaid communication also included the pending submission and reconciliation of relevant financial records, including the Income and Expenditure Statement of the AIIMS, Delhi Conference, cheque books, receipt books, and also financial statements relating to the Association and the Academic Board. The matter concerning the suspension of AIMLTA's IFBLS membership in connection with pending financial matters was also brought to his notice. However, the required corrective action and submission of records have not been received till date.

Further, vide Letter No. AIMLTA/GS/90/2026 dated 05/05/2026, the concerned office-bearers were informed regarding the CEC meeting and were reminded of the earlier communications, including Letter No. AIMLTA/GS/90A/2026. They were accordingly advised to take necessary action and ensure the completion of all pending financial and administrative matters of the Association, along with submission of the requisite records and documents in CEC meeting.

The House took note of the matter and emphasized that the concerned office-bearers shall discharge their respective responsibilities and ensure the timely completion of all pending financial and administrative formalities. All requisite records, statements, accounts, and supporting documents shall be submitted to the competent authority at the earliest for verification, reconciliation, audit, and proper record maintenance.

The concerned officials are accordingly requested to accord priority to the matter and ensure compliance without further delay. **– Considered**

The General Secretary also informed the House that an audit process was already underway and that the appointed auditor would shortly examine all available records at the National Office. He assured the members that a comprehensive audit report would provide clarity regarding all pending financial matters. He further stated that he had no objection if the House desired that records pertaining to his own tenure also be subjected to re-audit in the interest of transparency and accountability. **– Resolved**

The House appreciated the assurance and took note of the matter.

The House welcomed the initiative and recommended continued efforts toward improving transparency in electoral processes.

Typographical correctios and approval of previous minutes

Shri Kamlesh Kumar Singh, Secretary, Jharkhand, sought clarification regarding certain entries appearing in the previous minutes, particularly references relating to tenure provisions and expenditure entries concerning the Academic Board.

Shri Shamsher Singh clarified that the discrepancies were primarily typographical and clerical in nature and should be treated as inadvertent errors. He assured the House that greater care would be exercised while preparing official records in future.

After consideration of all observations, corrections, and clarifications, the Minutes of the previous Central Executive Committee Meeting and the proceedings of the 44th All India Conference and Scientific Seminar-2025, were **approved by the House.**

Agenda No. 5

Academic Board Matters

The House thereafter took up Agenda No. 5 relating to the Academic Board.

It was noted that no authorized representative appeared before the House to present the report of the Academic Board. Shri Mantu Nag and Smt. Jyoti Ratna, Members of the Academic Board who were present in the House, informed the members that they had not received any instructions regarding presentation of Academic Board activities before the Central Executive Committee.

The General Secretary informed the House that confusion had arisen regarding the inclusion of Academic Board matters in the circulated agenda. He produced the corrigendum communication before the House and explained that in the communication dated 26.04.2026, the Academic Board agenda had inadvertently remained omitted due to a typographical error. The omission was subsequently corrected through a corrigendum dated 05.05.2026.

The House examined the communication and took note of the clarification.

Discussion on Academic Board Functioning

The General Secretary informed the House that repeated efforts had been made to communicate with the Chairman and Controller of Examinations of the Academic Board to clarify issues and ensure their participation in the proceedings. However, despite repeated communication, their presence could not be secured.

The House expressed concern regarding the absence of authorized representatives from the Academic Board while matters directly concerning the Board were under discussion.

Members discussed the functioning of the Academic Board, including examination schedules, declaration of results, communication gaps, regulatory compliance, administrative coordination, and financial matters.

Reference was made to legal opinions discussed during previous General Body Meetings. Concerns were raised regarding the functioning of educational programmes, constitutional provisions governing the Academic Board, and compliance with legal and regulatory requirements.

Shri Dharmendra Kumar sought clarification regarding communications received from Government authorities concerning Academic Board activities and affiliated institutions. Questions were also raised regarding the status of institutions that may not have fulfilled prescribed requirements.

Shri Sanjay Gupta, CEC Member from Chhattisgarh, referred to correspondence received from Academic Board authorities and sought clarification regarding financial and administrative communications connected with examination activities.

Shri Naveen Kumar Singh expressed concern regarding the non-participation of office bearers, such as academic board, AIMLTA in this important organizational meetings and suggested that suitable mechanisms be adopted to ensure accountability and active participation by those entrusted with organizational responsibilities.

Shri E. Verghese observed that considerable differences had emerged between AIMLTA and the Academic Board and suggested that sincere efforts be made to bring both sides together for constructive dialogue and resolution of disputes.

Several members supported the proposal and agreed that organizational harmony and cooperation were necessary for the smooth functioning of both the Association and the Academic Board.

Shri Shamsher Singh discussed the financial relationship between AIMLTA and the Academic Board and emphasized the importance of maintaining transparency, proper authorization, accountability, and constitutional compliance in all financial transactions.

He further stated that issues arising from previous periods should be examined on the basis of available records and that future functioning should be guided by proper documentation and constitutional procedures.

The General Secretary also placed before the House details relating to Academic Board transactions and organizational correspondence. Members discussed these matters extensively and emphasized the need for improved communication, transparency, and accountability.

Tenure of the Academic Board

The General Secretary referred to the legal opinion previously obtained regarding the tenure of the Academic Board and submitted that the tenure of the existing Academic Board had completed its prescribed term on 14 May 2026.

Further discussion took place regarding the constitutional status of the Academic Board and its relationship with AIMLTA.

Shri Dharmendra Kumar expressed that the Academic Board is a constitutional body established under AIMLTA and performs important academic related functions.

The President, Dr. Govind Tripathi, clarified that the tenure of the Academic Board had completed its term and that future arrangements regarding the Board would be undertaken in accordance with the Constitution and Rules of AIMLTA after completion of the necessary examination process and administrative formalities.

The House discussed the matter at length and broadly agreed that the tenure of the existing Academic Board, stood completed on 14 May 2026. It was further agreed that future notifications and decisions regarding the Academic Board would be issued by the competent authority in accordance with constitutional provisions.

(i) The legal opinion by Jitendra Verma, Advocate, Patna states the following:

AIMLTA is a society registered under the Societies Registration Act, 1860. As per the Association's Constitution/ Rules, the tenure of the Association is three years. Any Committee or Sub-committee formed by the Association derives its authority from the parent Association and cannot ordinarily continue beyond the tenure of the main Association.

According to the principles of good governance and organizational discipline, every Sub-committee must function within the framework and tenure of the parent Association.

Therefore, the opinion concludes that it is not appropriate for a Sub-committee to have a five-year tenure when the parent Association itself has a tenure of only three years.

Conclusion:

The legal opinion clearly supports that any committee, including a Sub-committee such as an Academic Board, should not have a tenure longer than the three-year tenure of AIMLTA unless the Association's Constitution is amended or there is a specific legal permitting otherwise.

Conclusion of Day One

There being no further business for consideration on Day One, the President thanked all members for their active participation, constructive suggestions, and valuable contributions. The members reaffirmed their commitment to strengthening AIMLTA, maintaining organizational unity, and working collectively for the advancement of the Medical Laboratory Technology profession.

The proceedings of Day One of the Central Executive Committee Meeting concluded at 7:30 P.M.

(ii) Concise summary of the legal opinion by Adv. Anshul Narayan, Advocate Supreme Court dated 21.04.2026:

The elected Executive Committee of the Association had a fixed tenure of three years under the Constitution/Bye-laws. The Academic Board was constituted by the elected Executive Committee and derives its authority solely from that parent body.

Once the Executive Committee's tenure expires, any committee or board constituted by it ordinarily ceases to exist, unless it is reconstituted, ratified, or extended by a newly elected competent body in accordance with the Constitution and Bye-laws. Continuation of the Academic Board for five years, despite the parent committee's three-year tenure, is considered legally impermissible, arbitrary, ultra vires, and without jurisdiction.

In the absence of any specific constitutional provision permitting its independent continuation, the Academic Board cannot legally continue beyond the parent body's tenure. Decisions taken thereafter may be legally vulnerable and open to challenge.

The opinion concludes that:

The Academic Board cannot continue beyond the tenure of the elected Executive Committee unless it is lawfully reconstituted or approved by a newly elected competent body.

Its five-year continuation is contrary to democratic governance and organizational accountability.

The Association should immediately reconstitute the Academic Board through the competent elected authority in accordance with its Constitution and Bye-laws.

Academic Board (Activities & Progress Report)

The Chairman's AB, AIMLTA report was not submitted in CEC meeting, and not approved by the House, it is supposed to be submitted with combined report during next CEC meeting.

The Controller of Exam. AB, AIMLTA report was not submitted in CEC meeting, and not approved by the House, it is supposed to be submitted with combined report during next CEC meeting. Academic Board activities report was not approved and not passed.**- recommended still further.**

Agenda No. 7

Manifold Difficulties and Multitude Concerns

The Chairman, Academic Board, AMLTA issued a Letter No. AB/AIMLTA/CH/4143/2026 dated16/04/2026 to all Principal/Director of Academic Board, AIMLTA affiliated institutes to without any meeting/discussion with top officials of AIMLTA due to which created confusion. In light of your above letter a following letter No.AIMLTA/P/01/2026 dated 26/04/2026 issued by Dr Govind Tripathi, President AIMLTA (Constitutional head). Chairman again wrote letter No. AB/AIMLTA/CH/4148/2026 dated 30/04/2026 in which it was written that, you will present your case before the Academic Board/C.E.C hence, the matter was placed before the Central Executive Committee (CEC) for consideration, which does not deem to be appropriate.

After examining legal opinions in the matter, the CEC concluded that the constitution of the Academic Board of AMLTA stood dissolved on 14 July 2026. For final confirmation, the CEC requested the top officials to verify the relevant records.

Following this, a meeting of about 10–10 minutes interval was held in three sessions. During the discussion, it was decided that the 3 (three) month extension may be granted to the Academic Board, AIMLTA, for completing all the procedure of current 2026 year from commencing examinations up to the publication of results with necessary formalities.

It was decided that Academic Board shall be responsible only for completing the following pending examination activities such as : Evaluation and checking of answer books, Compilation and verification of results, Publication of final results, Preparation and distribution of mark sheets and diplomas pertaining to the Academic Year 2026 for the welfare of students.

The administrative activities and shall automatically cease upon completion of the specified period or upon completion of the assigned tasks, whichever is earlier. No further extension beyond the aforesaid period shall be deemed to be automatic or implied unless duly approved by a formal decision of the Central Executive Committee (CEC).

It was also discussed that Letter No. AB/AIMLTA/CH/4143/2026 dated16/04/2026 issued by Chairman, AB, AIMLTA to all Directors/Principals of AB, AIMLTA affiliated institutions which was found to be against the rules and constitutional provisions should be withdrawn by the Chairman, AB, AIMLTA.

After a lengthy discussion and careful consideration, the Central Executive Committee (CEC) arrived at the following decision:

1. Recalling demand at 43 AIC at New Delhi in the tenure matter of AB, AIMLTA and after examining legal opinions, the CEC unanimously resolved withdrawal of 5(five) year term of Academic Board, AIMLTA.
2. The CEC officially resolved unanimously to grant a 3-month extension to the Academic Board.
3. The CEC officially resolved unanimously for the withdrawal of Letter No. AB/AIMLTA/CH/4143/2026 dated16/04/2026 issued by the Chairman, AB, AIMLTA with Immediate effect.

Agenda No.-8

Electoral Board Opinion

- Status Report: The Chief Election Officer confirmed that all reports have been submitted to the AIMLTA office. **– Considered & Accepted**
- Recommendations: Mr. Shamsher Singh suggested organizing a preparatory meeting before the upcoming election. **– Accepted**
- Directives: Mr. Dharmendra Kumar requested the preparation of ballot papers on a statewide basis. **– Accepted**
- Electoral Procedure
- During the discussion, Shri Dharmendra Kumar offered suggestions regarding ballot papers and election procedures. The General Secretary informed the House that the matter had already been brought to the notice of the Central Election Officer, Shri Anil Kumar Sinha, and suggestions regarding colour-coded ballot papers and improved electoral arrangements had also been conveyed. **–Considered**

Zonal Secretary Report on the eve of C.E.C. AIMLTA Meeting

Ranchi, Jharkhand

Dated : 30th & 31st May, 2026

Zonal Secretary Zone–A Mr. Binay Kumar stated that he will focus on developing the North-East region and increasing new Life Members and expanding the territory of AIMLTA.

GS replied There is a dedicated and enterprising individual associated with the North East School Service. He has been very active and has accomplished significant work in Bihar. He has also worked extensively with us at the National level. We expect him to help develop and strengthen our organization in regions where we do not yet have an organizational presence.

Zonal Secretary Zone-D Mr. H. Puttaraju presented concise report and distributed it's copy to the members. Stated that this year, team of our Zone activitily participated in organizational, academic, and professional activities with the cooperation of and support to all state units of Zone D. Enrollment of new members, academic seminars and workshops for students and young professionals development activities, leadership and organizational meetings. A major highlight of this year was the celebration of IFBLS Day in our Zone. We also focus on strengthening unity among members and promoting the importance of medical laboratory professionals in healthcare services. Despite of all challenges, the dedication and cooperation of our team helped us carry out activities successfully. Our future plans were to conduct more and more academic activities, thanked the Central Team members for their valuable support and encouragement.

GS reply-You are the hero, Sir. You are the hero of this CEC because your zone has the best attendance among all five zones. Except for one or two representatives from Tamil Nadu, your zone has had almost complete participation. Certainly around 99.9%. We also believe that in the next AIC, your name deserves to be considered for an award.

Zonal Secretary Zone-E It is a matter of great pride that, under your guidance, we successfully organized the conference in Gorakhpur. We all know that the Gorakhpur Conference was a significant milestone for our association. I have been newly elected, on behalf of the entire team, I sincerely apologize for any shortcomings or mistakes that may have occurred during the electral process.

Under the guidance of Mr. Ranjit Ji, we organized such a large-scale conference in Gorakhpur for the first time. It was a valuable learning experience for all of us. However, I assure you that with the experience we have gained and with your continued guidance, we will organize an even better conference next time.

I entrusted with the responsibility of serving as the Zonal Secretary for Zone E. I sincerely hope that I will uphold the dignity and responsibilities of this position. In the coming years, we will work together to take our association to greater heights and establish it as a respected organization across the country.

This is my first opportunity to shoulder such a responsibility. Although we are still gaining experience, we have always tried our best to organize every programme to the highest standard, and I believe we have achieved that to a great extent. Naturally, there may have been a few shortcomings, as we are still learning.

With your continued support, encouragement, and guidance, I am confident that we will organize even better programmes throughout our zone in the future.

Mr. Shamsher Singh reply -I am the person who has been the Zonal Secretary Zone-E of association for more than 10 years with complete dedication and commitment. This has only been possible because of the hard work and vision of our General Secretary, Mr. Devendra Prasad Ji. He has introduced such remarkable initiatives that many of us could never have even imagined.

Today, I would like to break the usual protocol a little, although it is normally the General Secretary's privilege, I would like to request the Organizing Chairman of the Gorakhpur AIC to come onto the stage and share a few words with us. Please welcome him with a big round of applause.

Organizing Chairman of 44 AIC expressed his heartfelt gratitude to all for the opportunity to organize the All India Conference (AIC) in Gorakhpur. Central committee guidance was exceptional, and because of it we were able to successfully accomplish this task.

At every stage, they encouraged and motivated us. It was because of their constant support that we were able to complete this event successfully. Young people certainly have enthusiasm and energy, but it is our senior leaders who provide us with the right direction. Without your guidance, we could easily lose our way.

Mr. Shamsher Singh remind the house that-there is another strong pillar of the 44th AIC who has always worked quietly behind the scenes. Whether it was day-to-day coordination or providing direction, his contribution has been invaluable. Now I would request Mr. Udai Saroj Singh, Organizing Secretary of 44th AIC to kindly come onto the dais and say a few words.

Mr. Udai Saroj Singh, Organizing Secretary of 44th AIC to kindly come onto the dais recipocated.

As a team, we accepted the challenge of organizing the **44th All India Conference of AIMLTA in Gorakhpur,** and we devoted our best efforts to making it successful. I sincerely thank the entire Gorakhpur team and Deoria team. Together, we worked wholeheartedly to make the 44th AIC a grand success.

Throughout the planning process, we regularly sought guidance from our General Secretary, our respected Seniors. Whenever we encountered any difficulty, we contacted them, and they always provided practical solutions and valuable advice. I sincerely thank the entire Central Team and the Central Executive Committee for giving us the opportunity to organize this prestigious conference. Thank you all.

GS Reply-One minute, Udai Ji.

When we were discussing where to organize the conference, many people suggested Chandigarh. During one of our online meetings, Udai ji requested one week's time. Within that one week, he discovered a true "Kohinoor diamond" in the form of Ranjit ji, because of his leadership and dedication, the Gorakhpur Conference turned into such a glamorous and well-organized event that I believe there has rarely, if ever, been another conference in the history of AIMLTA.

Therefore, I extend my heartfelt appreciation to the entire organizing team, whether it is **Uday Ji, Ranjit Ji, or Shailendra ji.** Shailendra ji from Deoria, Ranjit ji from Gorakhpur, and Uday ji from Varanasi, who also serves as the State Secretary of Uttar Pradesh-each one of them, along with the entire Uttar Pradesh team, deserves our sincere gratitude.

On behalf of the Central Team, I thank the teams from **Deoria, Gorakhpur, Varanasi,** and the entire **Uttar Pradesh State Unit** for organizing such an outstanding conference. Thank you.

With this, the proceedings relating to the Zone have been completed.

Discussion on State Chapter of the Association
(State Secretary and C.E.C. Member, AIMLTA Report)
Ranchi, Jharkhand
Dated : 30th & 31st May, 2026

Andhra Pradesh : Mr.KVV Rao, State Secretary presented the report, he welcomed the AIMLTA leadership, highlights the long-standing lack of promotional opportunities for Medical Laboratory Technologists in Andhra Pradesh, requests government intervention to resolve the issue, reports a membership strength of over 600 members, describes ongoing organizational activities, and expresses gratitude to the organizers of the Ranchi CEC meeting for their excellent hospitality and arrangements.

Especially in Andhra Pradesh, while all other cadres receive promotions, the Laboratory Technician cadre has no promotional opportunities. Those who join service as ANMs become Community Health Officers (Gazetted), and Pharmacist Grade-II personnel are promoted as Pharmacy Supervisors. However, Laboratory Technicians appointed as Grade-II retire in the same post without any promotion.

Our State Body is functioning well with more than 600 members at present. We are continuously working to strengthen the membership drive. All activities of the Andhra Pradesh State Branch of AIMLTA are being carried out in close coordination with CEC Member Mr. G. Ramprasad, our National Executive.

Bihar :

C.E.C Report

Mr. Dharmendra Kumar, extended very warm and cordial respect to members present in every program held at the state and district levels, we have consistently tried to highlight our association and laboratory technologist's cadre with the help of advertisements, banners, hoardings, electronic and print media. He shared that several districts have successfully organized free medical testing camps and blood donation drives, contributing significantly to our collective mission of community health and service.

Conference and Scientific Seminar was held on 29th June 2025 at the IGIMS Auditorium, Patna. The event was graced by the presence of our respected members: Shri Devendra Prasad, General Secretary,Dr. S. K. Mandal, Ex-Vice President, Dr. Birendra Kumar, Controller of Examinations, AIMLTA, Shri Sanjay Kumar, President, Bihar, Dr. Vimal Vibhakar, State Secretary, Bihar, Mr. Nagendra Kumar, State Treasurer, Bihar

Our invited guests for the conference included: Shri Uday Saroj Singh, State Secretary (UP), Shri Akhileshwar Prasad, Editor, Chronicle AIMLTA, Shri Shamsher Singh, Treasurer, AIMLTA, India, Shri Ramashish Prasad, Vice President, AIMLTA.

The seminar was inaugurated by the Hon'ble Health Minister of Bihar, Shri Mangal Pandey, whose inspiring words added great value to the occasion.The conference witnessed the participation of around 600 delegates, and 10 scientific papers were presented, reflecting the growing academic strength and dedication of our members.

The IFBLS Day programme held at PHII, Patna in April 2026 witnessed the participation of approximately 300 delegates. After the Ranchi conference, State had the privilege of enrolling 460 new life members, and this achievement have been possible with the unwavering support and cooperation of Shri Devendra Prasad, Dr. Vimal Vibhakar, Shri Sanjay Kumar, Nagendra Kumar, and Prince Kumar (Office Staff).

Express my heartfelt gratitude to Dr. Birendra Kumar (Controller) and Dr. B.N. Shukla (Chairman, AIMLTA). They have been my mentors and guides, constantly teaching and supporting me in examination-related work, preparation of materials, and various academic responsibilities. Their encouragement and guidance have been instrumental in my professional journey, and I remain deeply grateful to them.

State Secretary Report

Vimal Vibhakar, extended most cordial welcome to respected members, in every program at the state and district levels, had tried to highlight our association and laboratory technologists' cadre with the help of advertisements, banners, hoardings, and electronic and print media. He highlighted few important events from recent activities.

At various district levels, conducted free medical test camps and blood donation programs.On June 29, 2025, Bihar State organized a State Conference at IGIMS, Patna. Hon'ble Bihar Health Minister Shri Mangal Pandey Ji was the Chief Guest. Around 600 members from across Bihar attended the conference. Ten scientific papers were presented during the event. The conference was a grand success, as our General Secretary, Mr. Devendra Prasad, presented the current status of laboratory technologists, the problems faced by them, and future measures before the Hon'ble Health Minister.

Our special invitees, including Sri Uday Saroj Jee (State Secretary, Uttar Pradesh), Sri Akhileshwar Prasad (Editor, Chronicle AIMLTA), Sri Shamsher Singh (Treasurer, AIMLTA), and Sri Ramashish Singh Jee (Vice President, AIMLTA), were also present at the conference. The Executive Committee held a meeting at Badhaai Banquet Hall, Patna. During the meeting, various state issues were discussed, and resolutions were passed to participate in the upcoming 44th AIC & SS at Gorakhpur and to increase funding in our state.

Relief work and various health camps were organized in several districts of Bihar to mitigate the flood situation and improve health facilities in rural areas. To overcome the financial crisis, generated a QR Code linked to our state account and shared it in the state group. This has made it convenient for members to transfer money directly to the account. Members are voluntarily depositing ₹500 per month into this account to strengthen the Bihar State fund. This initiative was proposed by Mr. Binay Kumar (Bhagalpur) and was unanimously accepted by all.

Almost every district in Bihar has an elected district-level body, an initiative started by the previous State Secretary. I have continued this by organizing state-level elections. I met the Hon'ble Health Minister of the Government of Bihar several times along with delegates from various districts to discuss different issues. We have a strong team of 4–5 members in almost every district of Bihar who are always ready to travel anywhere in India for association work with the General Secretary or State Secretary at their own expense. We have completed all tasks related to the 44th AIC & SS and other assignments given by the Central Committee. A good number of members from Bihar are actively engaged in managing various association activities.

About 460 new Life Memberships have been registered after the Ranchi Conference. The IFBLS Day Programme was held at PHI, Patna, in April 2026 in the presence of around 300 delegates, where several important issues concerning laboratory technologists were discussed. If there has been any shortcoming or mistake, please forgive us and guide us on how we can improve in the future. Special thanks to all delegates from across the state for attending this CEC Meeting at Ranchi, Jharkhand.

Chhattisgarh

Report presented by Mr. Sanjay Kumar Gupta, Chhattisgarh State Unit of AIMLTA continued to make steady organizational progress during the year despite limited financial resources. Regular state and district-level meetings were held to review activities, discuss professional issues, and strengthen coordination among members. As of 30 November 2025, the state had 483 active members, with continuous efforts to enroll new members and reactivate inactive ones.

The unit actively organized several important programs, including: IFBLS Day Celebration with awareness activities (16 April 2025). Blood Grouping Camp at Power House (12 November 2025). International Day of Persons with Disabilities program at Prayas School, providing health screening, blood grouping, medical advice, and CPR training to around 150 students. Members of the Chhattisgarh State Unit also actively participated in CEC meetings and other national-level conferences, contributing to the association's activities.

Financial constraints remained a major challenge, limiting the scale of activities. The state unit requested continued support from the Central Body to expand its initiatives.For the coming year, the unit aims to: Increase membership. Organize more skill development programs. Strengthen district-level activities. Encourage greater participation of young professionals.

The report concluded by expressing gratitude to the State Committee, District Coordinators, Central Committee, and the Organizing Committee for their continuous support and cooperation. Offered special thanks to organizing committee, Uttar Pradesh of 44th AIC for their excellent hospitality

Chandigarh

Reports were presented and read out by Mr. Rajiv Atwal in the absence of State Secretary. The 15th Chandigarh Chapter and XV Scientific Seminar was held on 28th February 2025 at the Auditorium, GMCH-32, Chandigarh. The programme was presided over by Principal, GMCH. The event was inaugurated by Medical Superintendent, GMCH, and Director Health Services, Chandigarh Administration. The event was a grand success with the participation of distinguished faculty members and delegates. Eminent speakers included: Dr. Sanjiv Sharma, Microbiology, GMCH-32, Mr. Vipender Kumar, Microbiology, PGI Chandigarh , Dr. Surinder Kumar Sharma, Department of Experimental Medicine, PGI Chandigarh, Dr. Indu Bala Chitkara, University, Dr. Malti Singh, Associate Professor, Dolphin PG College

.

Scientific Topics Covered

- Next generation sequencing and its application in Medical Microbiology.
- Good laboratory practices for point-of-care laboratory testing.
- Public health challenges in non-communicable diseases.
- Care and maintenance of laboratory equipment and automation.

The conference was organized successfully under the leadership of the Chandigarh State Unit with active participation of members. The activities of the State Unit for 2025–2026 were also reviewed during the conference held on 28th February 2025.

A blood donation camp was also organized with the University Institute of Hotel Management and Tourism, Punjab University, and the Swachh Bharat Abhiyan Cell, Punjab University, on 18th April 2026 in university premises. More than 100 donors voluntarily participated in donating blood, making the camp a resounding success. Dr. Parameshwar, DMS, GMSH, and Dr. Sarabh Jot, Mayor, Chandigarh Administration, were the Guests of Honour. They motivated the blood donors by presenting small gifts as a token of appreciation for their generous contribution.

On the theme “One tree-One life Tree Plantation on 18th May 2026 in GMSH, Chandigarh premises by DR. Praveen Singh, DMS, Dr. Premeshwar Kaur, SMO I/C, Dr. Minakshi C. Kumar SMO I/C, Pathology, Dr, Ranjana Mehta, MO Pathology and Mr. Rocky Daniel.

Delhi

The report was presented by Mr. M. H. Khan, President of the Delhi State Unit and Organising Chairman of the 2024 Conference, during the CEC Meeting as a Special Invitee. Presented the report on behalf of the Delhi State Unit in the absence of the Delhi State Secretary and CEC representatives. Key highlights include. Reported that the Delhi State Unit has been functioning effectively and continues to support the aims and objectives of AIMLTA. Members have remained actively involved in professional, academic, and organizational activities, with good communication and coordination within the unit. Acknowledged that a Delhi State Conference could not be organized during the reporting period, recognizing it as a shortcoming. Informed the house that the Delhi State Unit is planning to organize a State Conference in the near future to enhance academic exchange, member participation, and organizational growth. Expressed gratitude to the Central Executive Committee for its continued guidance and support. Reaffirmed the Delhi State Unit's commitment to working collectively for the growth and success of AIMLTA.

Jharkhand

Report read by Mr. Kamlesh Kumar, State Secretary, who welcomed and congratulated all CEC members and office bearers participating in the meeting.

Over the past four years, IFBLS Day and Laboratory Technologist Day have been celebrated across Jharkhand on 15 April to promote awareness and encourage new laboratory technologists to become lifetime members of AIMLTA. The Jharkhand State Unit has organized blood donation camps and medical check-up camps in Ranchi, Ramgarh, and Latehar, demonstrating its commitment to social service.

The association emphasized that laboratory technologists are the backbone of the healthcare system because accurate laboratory diagnosis enables timely treatment. Laboratory technologists in Jharkhand were categorized into permanent government employees, contractual government employees, outsourced staff, and private laboratory employees, each facing different challenges.

Major issues and proposed solutions include:

Seeking an upgrade of the Grade Pay from ₹2,800 to ₹4,200 for permanent government laboratory technologists. Providing recognition and fair opportunities for contractual employees through additional marks in recruitment examinations based on years of service. Completely stopping the outsourcing of laboratory technologist posts.

Resolving licensing issues faced by private laboratory technologists, where laboratories require a doctor's name and registration despite laboratory work being performed by qualified laboratory technologists. The report also expressed concern about the rapid expansion of corporate diagnostic chains through blood collection centers, which may threaten the professional role and employment opportunities of laboratory technologists. It recommended that collection center codes should be issued only to qualified laboratory technologists.

Karnataka

The Karnataka State Secretary Mr. M M Shivashankar and Mrs. Jyothirathna, CEC Member presented report in CEC meeting. During the past year, the Karnataka State Committee has worked towards strengthening the organization and promoting the professional growth of medical laboratory professionals. Various academic, organizational and awareness activities were conducted successfully with the support of all members and district units.

Academic seminar in Hubballi Medical College, BMC&RI and Kempe Gowda Medical College, Bangalore. Awareness activities for students and healthcare professionals. One of the important highlights of the year was the celebration of IFBLS Day on 18-04-2026, which was hosted by the prestigious Regional Institute of Ophthalmology, Minto Hospital, BMC&RI, Bangalore. The event was organized enthusiastically with participation from professionals, students and faculty members. Interactive seminars, quiz programs for students and awareness skits by the staff were conducted.

Efforts were also made to improve communication between district units, encourage active membership participation and promote unity within the profession. The cooperation and dedication of office bearers and members helped us continue our activities effectively.

Madhya Pradesh

Report presented by newly State Secretary, Mr. Rajesh Katre, he expressed-Madhya Pradesh is one of the largest State Units covering 53 districts. The State Unit has enrolled new life members from various districts. This year, as organizational progress, the strength of life members has crossed 1400. For the membership drive, we have received good support from K.K. Mishra, Zonal Secretary, and K.K. Batham, CEC.

Our state members are highly interested in academic and research work. Many of them regularly send their scientific articles and research reports to the National Headquarters for information and publication.

Delegates from the M.P. State have been availing special leave from the M.P. Government to attend the conference since 1980. Nevertheless, this time participants will receive TA/DA from the Government if they are presenting a paper.

As part of the get-together meeting, we organized a blood donation camp in which 138 members of our association donated blood. Was not be able to say much in report because very little time has passed since he took charge. Still, he assure you that he will make every possible effort to continue the activities carried out by Shri Govind Tripathi and take them to greater success.

Maharashtra

Report handled by Dr. Madhukar B. Bharti. As a newly elected member, he did not have a compiled report ready for this session. **Directive:** The GS suggested and directed him to prepare the report covering the period up to his election as CEC, and submit it to the GS and President.

Odisha

Report presented by State Secretary, Mr. Kalindi Charan Muduli, he told the house that a successful state conference and scientific seminar on 30th November 2025, drawing over 400 delegates.

Academic Initiatives: Conducted a quiz competition, two technical workshops, and four Continuing Medical Education (CME) programmes.

Public Health Campaigns: Organized five early-detection oral and breast cancer screening camps in collaboration with Reseapro Scientific, Bhubaneswar. Conducted public health marathons and organized annual awareness dramas during Lab Professionals Week.

Membership Drive: Launched an active enrolment campaign supported by a new core committee covering all 30 districts of Odisha. School Nutrition Initiative: Finalized a roadmap to launch statewide student nutritional awareness camps. AIMLTA Jiban Jyoti Fund Launch Purpose: An emergency fund providing rapid financial relief to life members during medical or personal crises. Benefit: Provides a designated financial assistance of ₹21,000 to registered AIMLTA Life Members.

First Payout: Financial assistance was provided to the family of Late Mr. Chinmay Kumar Das, a respected senior life member who recently passed away due to leukemia.

Puducherry

The Puducherry State Unit reported that it was reconstituted in March 2025. The report was presented by Mr. P. Djodybassou (State Secretary) and Mr. J. Stephen Selvaraj (CEC Member). Major Activities : Organized Blood Donation Camps, Conducted Health Camps, particularly in rural areas, Organized Hemoglobin and Blood Sugar Detection Camps, Celebrated IFBLS Day and Laboratory Technologist's Day annually on 15th April. Requested financial assistance to support routine state-level activities.

Requested that the All India Conference should not be scheduled during November or December due to: Heavy winter conditions, Festival season during December. Remarks: Extended congratulations and best wishes to the Organizing Committee. Expressed commitment to strengthening AIMLTA activities in Puducherry. Recommended granting Bonafide Life Membership to members of the Puducherry Union Territory.

Rajasthan

The Rajasthan State Unit is pleased to report that a Mini Conference and CME Forum on Biochemistry, Haematology, Microbiology, and the Application of Value in Healthcare was successfully organized at the Indian Red Cross Society Hall, Ajmer on 1 February 2026. The event was attended by 82 delegates, making it a successful academic programme.

A major concern raised is that the Rajasthan Government Paramedical Council is not recognizing the diplomas awarded by the AIMLTA Academic Board. The State Unit also mentions that ongoing financial constraints have affected its ability to carry out organizational activities effectively. Despite these challenges, it remains committed to the growth and development of AIMLTA in Rajasthan.

Telangana

The CEC and State Secretary Report. Telangana Government issued transfer orders, resulting in the transfer of a large number of staff to other places. Representation was submitted to the Government for the promotion of: Biochemist to Chief Biochemist, Lab Technician to Lab Technician Grade-I, Analyst to Senior Analyst. Representation was submitted to the Government for the creation of a new post of Principal Para Medical Board Council.

A free medical camp was conducted for 300 patients, including free blood group testing, and 20 members voluntarily donated blood. Regularization was approved for 200 Lab Technicians. Notification was issued for the appointment of Lab Technicians and Pharmacists on a contract basis. Five Lab Technicians Grade-I retired from service. The association organized a farewell function and invited the Principal, Medical College Superintendent, Professors, HODs, Faculties, and staff to attend the event.

Tamil Nadu CEC Report:

Mr N.Thiyagarajan, Introduced himself as a life member of AIMLTA since 1990. Highlighted his 36 years of experience as a Medical Laboratory Technologist, instructor, laboratory owner, election officer, and external examiner. Expressed gratitude for being elected as a CEC Member and assured his commitment to serving the association honestly and fairly.

Alleged that Dr. Ramakrishnan repeatedly sought financial assistance for his son's education abroad. Claimed that Dr. Ramakrishnan requested contact details of relatives and friends living overseas to obtain financial help. Requested the association to investigate the matter and take appropriate disciplinary action.

Complaint alleged that the State President used the AIMLTA name to organize programmes under the title **"Anboli"** and collected money without authorization. It was further alleged that the Indian Government's Ashoka Chakra emblem was printed on shields distributed during these events. The complaint claimed that funds collected in the name of AIMLTA were deposited into personal accounts instead of the association's account. Copies of banners, transaction records, phone numbers, and photographs were submitted as supporting evidence. The complainant requested immediate investigation, suspension of the concerned office bearer if allegations are proved, and legal/disciplinary action to protect the reputation of AIMLTA.

A request for the CEC to investigate the allegations, verify the submitted evidence, and take appropriate disciplinary and legal action in accordance with the association's rules.

Tamil Nadu Secretary Report:

The Tamil Nadu State Secretary reported significant efforts to strengthen AIMLTA in the state during 2024–2025. Key achievements include obtaining permission to conduct two DMLT institutes, registering 35 laboratory technicians as life members, conducting a state election under police protection, and organizing a scientific seminar. Various social

service activities, including free medical camps, nutritional support for TB and leprosy patients, and educational assistance to poor students, were also carried out at personal expense.

The report further highlights several concerns regarding the functioning of the Academic Board (AB) examinations in Tamil Nadu. It recommends improved coordination between institutes and the Academic Board, transparent appointment of external examiners, and timely resolution of institutional issues. The report also raises allegations of misconduct, harassment, irregularities during examinations, and unprofessional behavior against four examiners/officials. It requests that these individuals be disqualified from examination duties and that corrective measures be taken to improve the credibility, discipline, and administration of DMLT examinations in Tamil Nadu.

Uttar Pradesh

State Secretary Mr. Udai Saroj Singh in report welcomed all AIMLTA office bearers and expresses gratitude to senior leaders, especially former General Secretary **Mr. A. N. Singh,** for his outstanding contribution to the association. AIMLTA Uttar Pradesh State had successfully organized the **44th All India Conference & Scientific Seminar (AIMLTACON-2025)** at Mahayogi Gorakhnath University, Gorakhpur, with around **1,200 delegates** from across India under the theme "Pioneering Healthcare Through Precision, Passion and Innovation." The organizing team acknowledged the support of the Central Committee and all volunteers. The financial accounts of the conference, including bills and vouchers, were submitted to the AIMLTA office through a separate conference bank account. Uttar Pradesh State has grown to **995 life members,** driven by membership campaigns and visits to various institutions such as SGPGI, AIIMS Gorakhpur, ICMR, BRD Medical College, GSVM and other medical colleges. Awareness on AIMLTA membership and the NCAHP Act was also promoted. The report also highlights the **UP State Election-2025,** mentioning constitutional disputes, allegations of an unauthorized committee, and the successful completion of the official election under the supervision of the Central Election Officer and Observer. Several important organizational activities were conducted, including the **IFBLS Phagwara winding-up meeting,** executive and general body meetings, a condolence meeting, and educational lectures. The report emphasizes continued efforts to strengthen AIMLTA through membership expansion, scientific activities, publication in the AIMLTA Chronicle, social awareness programs, and district-level outreach. It supports the implementation of the **NCAHP Act,** improvement of the DMLT curriculum, and ongoing work of the Constitution Amendment Committee to enhance professional and academic standards. The report concludes by reaffirming AIMLTA's commitment to strengthening laboratory professionals, promoting quality healthcare, encouraging unity among members, and contributing to India's healthcare goals by **2047.** It ends with thanks to all delegates and a message of perseverance, unity, and continuous progress. Report was appreciated by Central Committee
